1. General

1.1. If you get access to website: <http://rusgas.io> (hereinafter referred to as the "Website") and start to use it, you agree to the terms of the use including subsequent changes, additions and updates to the Website (hereinafter referred to as the "Terms").

1.2. If you do not agree with the Website Terms of Use, please do not use the Website or any information, links or content contained on the Website.

1.3. Your access to the Website and its use shall mean your consent to comply with each of the Terms set out below. If you use the Website on behalf of the organization, this organization shall accept these Terms and Conditions.

1.4. RusGas.io may modify, amend, supplement or update the Terms at its sole discretion at any time without prior notice. We recommend to visit this page to be aware of any changes to the Website. Your continued use of this Website shall mean your acceptance of these modified, amended, added or updated terms and conditions.

2. Use of website

2.1. Open-source software

2.2.1 We have the right to create the source code of the software developed for downloading as open source software.

2.2.2. You agree to abide by any license agreement applicable to this open source software. You should not indicate that you are associated with us due to use, modifications or distributions of this open source software.

2.2.3. In case of hosting any software, granting access to this software and enabling it to be used on our websites including this website, these Terms will apply to such access and use as well as to any licensing agreements that we can conclude with you.

2.2. Third-party content

2.2.1. We can display third-party content, advertisements, links, promotions, logos and other materials on the Website (hereinafter referred to as the "Third-Party Content"). We do not approve, control, support or sponsor any third parties or third-party content, and we make no representations or warranties of any kind with respect to this third-party content including but not limited to accuracy, legality, copyright compliance or reliability of such content.

2.2.2. Your use or interaction with any third party content and any third party providing this content is carried out solely between you and these third parties and we are not responsible for this use or interaction.

2.2.3. We are not responsible for any content on third-party websites linked to our site as well as we do not guarantee that links to these sites are operating or updated ones.

2.3. User content

2.3.1. If you publish, upload, enter, provide or send us your personal information including your name, email address, IP address, encryption address, text, code or other information and materials, subscribe to our newsletter or create an account on our Website (hereinafter referred to as the "User Content"), you shall ensure that User Content is accurate, up-to-date and complete, does not violate or infringe the intellectual property rights of third parties.

2.3.2. We do not own, control or support any User Content that is transmitted, stored or processed through our Website or sent to us as well as we are not responsible for any User Content. You are solely responsible for all of your User Content and for the use of any interactive features,

links or information or content on our website as well as you represent and warrant that (i) you own all intellectual property rights (or have obtained all the required permissions) for the provision of your User Content and the provision of licenses under these terms; (ii) your User Content will not violate any confidentiality agreements or obligations; and (iii) your User Content will not infringe or unlawfully confer any right to intellectual property or other proprietary rights including the right to publicity or the privacy of any person or entity.

2.3.3. You are solely responsible for confidentiality of your User Content and any of your non-public information. In addition, you are solely responsible for any actions that occur in your account (if any). You agree to immediately notify us of any unauthorized use of your User Content, account or any other breach of security.

2.3.4. We are not responsible for any loss or damage that may result from the use of your User Content or Account, with or without your knowledge. However, you may be responsible for damages incurred by RusGas.io (as defined below) or by another party due to the fact that someone else is using your User Content or account. You are not entitled to use the content or account of the other user without the permission of that person or organization.

2.3.5. By publishing, downloading, submitting, providing or sending the User Content to us, you grant a non-exclusive, worldwide, perpetual right and permission to RusGas.io, its affiliates and any required sublicensees to use, reproduce, copy, edit, modify, translate, reformat, create derivative works, distribution, transfer, public provision and public display of your User Content as well as sublicensing of such rights to others.

2.3.6. You should immediately update and notify us of any changes to your User Content.

2.3.7. Despite the fact that we do not have to display, edit or control User Content, we reserve this right and can, at our discretion, delete, display or edit User Content. In addition, if we have reason to believe that there is a risk of breach of security, hacking or misuse of our Website or if you violate any of your obligations under these Terms or Privacy Policy, we may suspend your use of this website at any time and for any reason. Any User Content that you send to this Website may be available to us all over the world.

3. Feedback

3.1. If you decide to send us questions, comments, suggestions, ideas or other information (hereinafter referred to as the "Feedback"), you can do it on your sole discretion.

3.2. Feedback does not include the User Content. We reserve the right to use any Feedback for any purpose for free and without any monetary or other material compensation to you.

3.3. In order to avoid potential misunderstandings or disputes, if the products, services, business ideas or business strategies of RusGas.io may be similar to the ideas sent through your Feedback, you acknowledge and understand that RusGas.io makes no representations or warranties in that your feedback will be considered confidential or personal.
